Dear Parent/Guardian,

Teaching our children how to read and use math are the primary goals of Prendergast School. The Summer Reading and Math Assignment for all students entering Grades K, 1, and 2 for the 2007-2008 school year will help children keep their skills during the long summer vacation. The assignment will be due to your child's teacher by **Wednesday, September 5, 2007** and completion will be indicated on your child's report card. Use the Governor's Reading Challenge journal to record all of the books your child has read this summer.

You may wish to visit the Ansonia Public Library, which has many of the books on the summer reading list. Additionally, Ansonia Public Schools is using grant money to provide books to students for summer reading. Books will be available at the Ansonia Library, the Tinney Center, Ansonia Nature Center, Mead School and Ansonia Community Action. Please call them to determine their hours.

Please sign this sheet and return it to your child's classroom teacher by **Friday, June 8th**. It is extremely important that your child complete this Summer Reading and Math Assignment and return all work to school by **Wednesday, September 5, 2007**.
