Re: *Marking period dates, Parent Conferences, and Back to School Nights for 2019-20*

Together with the building principals, I have established the dates for the 2019-20 year for the marking periods, report card distribution, and Back to School Nights. The two elementary schools (Mead and Prendergast) will remain on a trimester schedule and will be holding three marking periods only, while Ansonia Middle School and Ansonia High School will continue with a four-marking period schedule.

All elementary students will receive a Progress Report mid-way through the first marking period. (For ensuing marking periods, progress reports will be issued only for those students needing one.)
