

PATHWAYS PROGRAM

HIGHLIGHTS

AHS students and faculty participated in several pathway program opportunities this summer.

- Mr. Rotteck (Cybersecurity Pathway) completed the certification course Integrated Public Alert and Warning System (IPAWS) for Alert Originators from the Emergency Management Institute.
- Mrs. Davis (Education Pathway) and Mrs. Phipps (Business Pathway) completed a Peer Mentor Training Program provided by Southern Connecticut State University (SCSU).
- Fourteen AHS students also completed the Peer Mentor Training Program and are now certified by SCSU as Peer Mentors.
- Two juniors and one senior participated in an 8-week paid internship at Sikorsky (Manufacturing Pathway).
- Two sophomores completed an online college writing course offered by Post University (Cybersecurity Pathway).
- Fifteen students participated in the virtual CICSTART Program in Engineering offered by The Birch Group and Gateway Community College (Engineering Pathway).
- Eighteen students participated in the Quinnipiac University Data Sciences Summer Program for High School Students (Cybersecurity and Engineering Pathway).

SUMMER 2022

The fourteen Ansonia High School students pictured above are proudly holding the Peer Mentor Certificates they earned after completing a one-week mentor training program this summer. The program was offered by the School of Graduate Studies at SCSU.

Senior peer mentors will be working with freshmen during the homeroom / advisory period, and junior peer mentors will be working with sixth grade students in the Chargers in the Making Program.

Photo courtesy of AHS Alum, Jason Edwards, SCSU Social Media Coordinator.

Mr. Edwards will be speaking to students interested in careers in social media on September 30th.

PATHWAYS PROGRAM

UPCOMING EVENTS:

Students interested in Advanced Manufacturing are invited to attend a field trip to Housatonic Community College's Manufacturing Day in October. See a Tech Ed teacher for details.

Students enrolled in Freshman Seminar will explore Careers using Virtual Reality Goggles.

Coming Soon! Students are encouraged to stop by the new Pathways Room (Room 218), located on the second floor, for information on training programs, guest speakers, and internship / work opportunities.

Students can learn more about pathways and careers by taking an online course using 21stCenEd. Classes now enrolling! Check out <https://21stcented.com/9-12-courses/> for a list of courses. Courses are free. Reach out to khippys@ansoniam.org if interested.

CLASS OF 2022

ALUMNI
UPDATE

Alumni, Michael Harris (Manufacturing Pathway), participated in an 8-week summer training program at Sikorsky / Lockheed Martin in Bridgeport. During the internship, Michael worked closely with a Teamster Mentor. Upon completion of the internship, Michael was offered a full time position. Congratulations, Michael!
