Mead's Seeing Stars

Mead's Got Talent - yes, we do! Did you catch all the acts? Between magic, jokes, singing, and dancing, there are a lot of stars here at Mead. The scores were so close the judges had a hard time narrowing down the winners.

The winners:
Zisel
Dcosta,
Kennedy
Johnson,
Lillianna
Surriera,
and Hailey
Vlasaty.

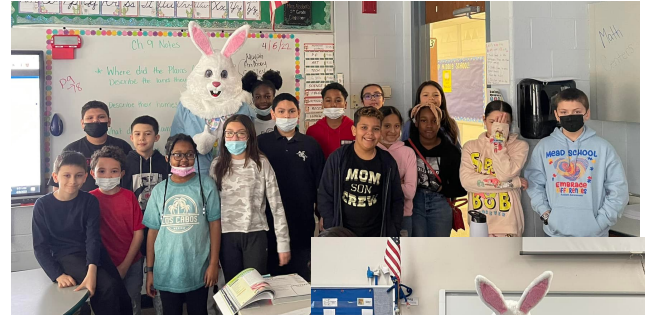

Thank you to Mayor Cassetti, all the performers and judges for making this year's show one for the books!! A special thank you to Mead UA, Ms. Cosciello, and Mr. Durand for putting this together!!

For Read Across America, during the month of March, students were asked to do as much reading as they could. Each class was

given the challenge to read and turn in their reading

logs. The class that turned in the most reading logs were rewarded with a pizza party. Mrs. Cook's class and Mrs. Engels' class won!

The Easter Bunny made an appearance at Mead School again this year! Guess the Easter Bunny has heard how hard the students have been working!! Each class was able to get a picture and special treat thanks to Mead PTO.

Mrs. Groell and her students have been working on How to Make the World Awesome! They then brought their idea to the whole school. These are the AMAZING ideas each class had!! Stay tuned for the final project.

We had 2 Math Nights where math resources were given out and fun was had. Who knew making sundaes was educational? All families were given a few math games as well as math tips and tricks to practice at home. Thank you to Mrs. Holohan for organizing these events!!

There were winners who guessed the closest to the Hershey's Jar. Antonio Ruiz and Kaylee Ginex.

between the classes. Congratulations to both classes!!
