### **Makers Gonna Make**

The 3rd session of MakerSpace is underway. Ms. Danuszar's students are coloring with shaving cream and popsicle stick puzzles. Ms. Testi's students constructed catapults and paper towers.

Ms. Parker's 4th and 5th grade students built some paper

helicopters, and now are working on either Lego Robots or K'nex roller coasters.

## Highlights from Life Skills

Mrs. Hydar's class made and delivered their Canine Krunchies and dogs everywhere are drooling for more. Thank you to everyone who ordered and helped support Mrs. Hydar's class and the Unified Sports Team at Ansonia High School. With the money raised, Mrs. Hydar's class donated a Buddy Bench. This bench will be used for those students who may just need a buddy to talk to. Students should be sure to see if anyone is sitting on the bench and needs a buddy.
