

April 2021 Newsletter

March Madness & Mead's Got Talent

Mr. Howes and his UA team have done it again! Math and PE rolled into a nail biter of an event? Yup! For the second year Mead School has shown their physical and mental prowess. Every grade level had its top math-letes and athletes compete to prove their class is the best. There were some upsets and there were some underdog winners but everyone tried their best and had a great time. Don't worry if you missed out, we will have some make-up times for those classes.

publication of this newsletter. Stay tuned for those results in May's newsletter.

Mead's Got Talent is also back for the second year. Since it's COVID, students are being asked to record their talent (lip syncing and dancing or

something similar) to meadua@anson.org by April 21st. Recordings must be in landscape mode and no more than 2 minutes long. The Unified Arts staff will put them all together for the final reveal of all of the talent Mead School has to offer!

THE WINNERS WERE:

Kindergarten: Mrs. Houston

1st grade: Mrs. Weitzler

2nd grade: Mr. Daprino

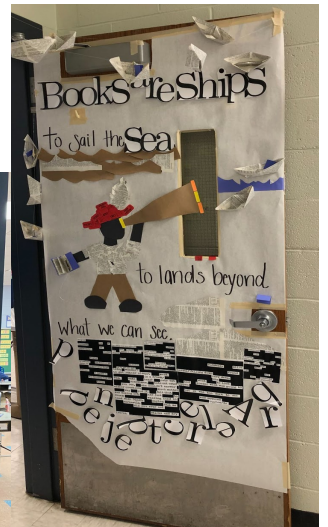

4th grade: Mrs. Cable

5th grade: Ms. Zambetti

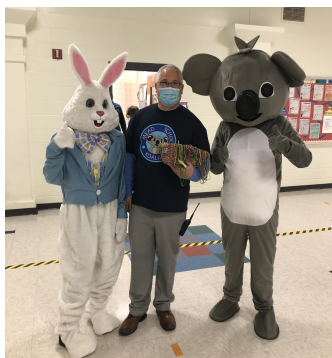

3rd grade, and 6th grade will take place after the

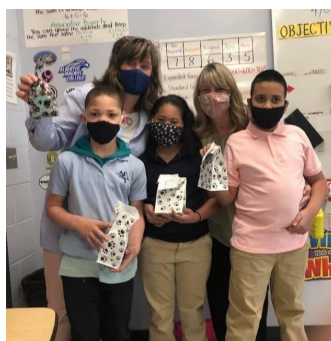

Read Across America Door Decorating contest was an extremely tough call. Each time we have a door decorating contest, the students and staff get more and more creative. The winners this time were Ms. Testi's 2nd grade class and Ms. Hokanson's 5th grade class.

And who could leave out the surprise visit? Koko invited its good friend, Easter Bunny!! They both visited every classroom to hand out special treats to all our students. Thank you Easter Bunny and Koko for making it a special day!!

Lastly (but certainly not least), Mrs. Hydar's ABA class had some great fundraisers!! First was the Autism Awareness shirts which all students were encouraged to wear April 1st for Autism Awareness Day. This fundraiser was only to be topped by the dog biscuits they made and sold to faculty and staff. Hopefully they will continue taking orders because dogs love them!!

IXL Arithmetic Achievers

Class who answered the most questions in March:

Mrs. Muller's Kindergarten class

Attendance Award

March's best attendance rate:

Ms. McPherson's 4th grade class
