

February 2021 Newsletter

Welcome Back Take 2...

Koko was able to welcome everyone back to hybrid learning! It was a great way to start in person learning again and the students were so excited to be back. We were all thrilled to have the students back in person as well. We all worked really hard to make sure everyone was safe by keeping their masks on, washing their hands often, and staying spread out.

Mead would like to welcome Mrs. Lawlor, our Life Skills teacher. She will be taking over for Music until the Fall. Welcome back Mrs. Lawlor!!

We have been doing well with our Fundraisers!! ZOIS was another HUGE SUCCESS!! A special thank you to Jim at ZOIS for your continued support and generosity!!! Thank you for also extending the fundraiser due to snow!!! As always we are overwhelmed with all the support and people who came out

and supported Mead School PTO and our local restaurant!!

We have a lot of great events coming up! Another Spirit Week to honor Red Ribbon Week. Students are encouraged during Red Ribbon Week to demonstrate the 5 healthy habits everyday.

Our first virtual paint night is also coming up and sign ups are filling up. Lastly we have a few more fundraisers coming up. We're doing our best to plan activities and events that are both safe and fun.

IXL Arithmetic Achievers

Class who answered the most questions in January:

Mrs. Weitzler's 1st grade class
