

January 2023 Newsletter

Ringling in 2023!

Welcome back Mrs. Lawlor!! Mead was sad to see Ms. Snider leave for Prendergast but we are excited to see Mrs. Lawlor back for Mead's turn with Life Skills.

Brody, a therapy dog, came for another visit to those classes who had the highest math fluency of the month. Those special classes were:

Mrs. Weitzler's, Ms. Testi's, Mrs. Cook's, and Mrs. Muller's class.

For Valentine's Day again

this year, Mrs. Cook is spearheading dog food donations for Ansonia Animal Shelter. To help spread the love, please consider

donating food or treats. They need to be the chopped food (not ground) and these specific treats in order to ensure the shelter's dogs don't get upset stomachs. Any donation will be greatly

appreciated and stored in Mrs. Cook's room until Valentine's Day.

Mead's Got Spirit

This month's spirit week was full of fun with a Minion day, camo day, and color war day. Here are some of the highlights:

Highlights from Life Skills

Mrs. Hydar's class made their own snowballs to help reinforce SEL strategies in her class. Too bad there wasn't real snow to make snowballs...

Ms. Skolzdra's SOAR class learned about Martin Luther King Jr. and created ways in which they can make the world a better place. Here are just some of the ideas they came up with.
