

## ABC Countdown Has Begun

Ms. Danuszar and Ms. McPherson have started their countdowns to the end of the year. While their grade levels may be going in different directions, they will both enter summer with some great memories. We're getting ready to either say aloha

to summer (1st grade) or zoom into summer (4th grade). Here are some of the fun highlights of the countdown so far.

The first Mead School carnival was an amazing event!! There was a petting zoo, magician, and all sorts of games and activities. Look at all the fun that students, staff, and parents had that evening!! A special thank you to Ms. Cosciello and Ms. Rodriguez for helping to organize this wonderful event!!

The Little Mermaid Jr. was performed at the high school with students from Prendergast and Mead School. It was like seeing a show on Broadway!! The students did such an awesome job and their hard work really paid off. Thank you to all the students,

staff, and parents for making this such a great success!!

Mrs. Groell and her students along with some help from the rest of the school, completed their project: 27 Ways to Make the World Awesome! Each class came up with AMAZING ideas, colored a poster, and created a video. Here is the link to all the hard work they did.
