Pinked Out

Cook and Mrs. Delgado's classes were the most pinked out and got to pie some staff members in the face!! Thank you to all of the volunteers who

Hispanic Heritage month was very informative. Students learned about various countries through different activities. The Judges had their work cut out for them as all the doors were decorated so well!! Congratulations to Ms. Barone's class who won the door decorating contest and received an ice cream party.

Mead School really went all

out for our annual Mead Goes Pink spirit week. From tattoos and bracelets to pie throwing and

got 'pied'. It would not have been as successful without having someone to pie in the face!

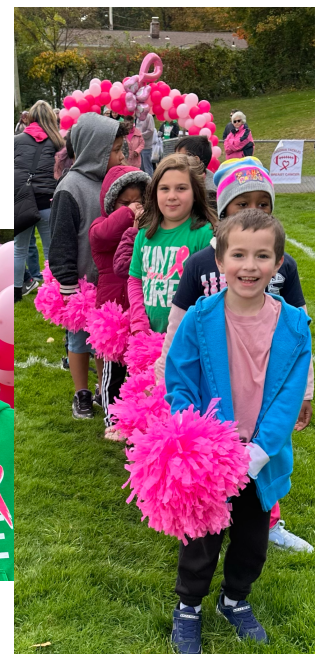

The AHS Pink Game at Nolan Field was a great success!

Honoring one of Ansonia and Mead School's own Denice Hunt! Thank you to all who came and showed their support for one of our own!!

wearing as much pink as possible, Mead School really showed their support for Breast Health Awareness!! Mrs.

Trunk or Treat: Thank you for all the candy donations!!! It was a great turn out!! A special thanks to Mr. Viteri for providing spooky music for the event, all of the people who decorated their trunks, and the volunteers who helped make this event a success!! Please see the PTO Facebook page for all of the photos from the event.

The winners of the Trunk or Treat decorating contest are: Super Mario, Disney, and Barbie! It was a very close

call for the judges. Thank you again to everyone who made this event amazing!

Highlights from Life Skills

The students in the ABA/Life Skill classroom at Mead are all about the Fall activities!! This month, students enjoyed a STEAM challenge, and cooking apple sauce and an apple danish. Students built a tall freestanding apple and toothpick structure with some of their 5th grade friends. Then they made a delicious apple danish and even made some apple sauce! What a Fall-iffic time!!

New and Exciting

The 22nd Annual Veterans Day Celebration will be November 10. We will be honoring the parents, grandparents, and siblings of our Mead School students and staff, who are serving or have served in the United States Armed Forces. If you are able to attend, please complete the form on ParentSquare and return it to Mrs. Chicoine or Ms. Parker.

Reading Challenge: We are off to an amazing start with our reading challenge!! Students are reading up a storm!! We should know which class will reach 100 books read soon. Adults can still help their

students achieve this goal by reading books at home.

The Kozies for Kiddos is back!! Mrs. Hydar and the ABA/Life Skills class are collecting pajamas again this year. Please consider donating a pair of pajamas and help them reach their goal of 350 pajamas!!
